

SEPTEMBER 2023

Peter Pan's Press

I hope everyone's having a lovely summer and looking forward to playschool next week. A reminder, Monday evening 7-7.30 is our parents induction evening. Tuesday 10-11 is our stay and play session for new starters, and then playschool resumes as normal from Wednesday at 9.10.

We'll be starting our wraparound care from this week too - thanks to those who confirmed their places. If this is something that is of interest to you, please drop me an email.

Returners will notice we've moved around the cloakroom trolley names and trays, this is to ensure the younger children have pegs and trolleys that are more accessible for them, so your child may have moved to the larger trolley now they are one of the older children. For new starters, your keyperson will show you this during the stay and play on Tuesday.

A reminder that fees will be issued hopefully this week, and have increased to £8 an hour to help cover our rising costs to deliver playschool. Funding forms will be sent home on your child's first session - please return these and settle your accounts as soon as possible as our budget is always incredibly tight at the start of the year.

It's going to be a lovely warm week, so please ensure your child has sun cream applied before coming to playschool. If they're with us for the extended session and you'd like us to top up their sun cream, please pop a named bottle on the lunch trolley.

Please ensure your child brings a named water bottle to playschool every day, as well as a mid morning snack, which will be stored in their named tray, so please ensure it is separate from their lunch box. **Please remember we are a nut free zone.**

We're always grateful of donations for junk modelling, craft materials, baby wipes, nappy sacks, sand, bubble solution. We have an amazon wishlist if you'd like to purchase anything direct from there

Summer party - Today is our summer party which we hope will be a fun welcome back to playschool and farewell to our leavers. It looks set to be a sunny day! It is a fundraiser with small entry fee which includes free access to the bouncy castle, and we have drinks, second hand books and toys for sale, a children's tombola, playdough and some other fun activities to enjoy. We hope to see you there 2-4 pm. We do have a card machine, but please bring cash too if possible as we only have 1 machine.

What to bring each day - as well as a water bottle, morning snack and lunch if appropriate, please ensure your child has spare clothes and nappies/wipes etc too please as we have water play in the garden, so there's always a risk of getting soggy even when fully toilet trained.

Absence - if your child is unwell or will be missing playschool for any reason, please either email in advance or text on the morning 07908 018924 to let us know, and ideally let us know what they're unwell with so we can notify other parents if there's a potential risk to be aware of. If we don't hear from you, we have a legal duty to try to contact you to ensure your child and yourself are safe and well.

Admissions - We are really busy this year and next year, and are currently taking admissions from September 2025 onwards. Please ensure you request any additional sessions you may need as soon as possible to avoid disappointment and sign up any siblings as early as possible.
